

Coronavirus COVID-19

BC Centre for Disease Control | BC Ministry of Health

Coronavirus Prevention

Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.

Avoid touching your eyes, nose, and mouth with unwashed hands.

Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Avoid close contact with people who are sick.

Clean and disinfect frequently touched objects and surfaces.

Stay home when you are sick.

WEARING A MASK IS NOT AN EFFECTIVE MEASURE TO KEEP YOURSELF SAFE FROM VIRAL INFECTION.

Help prevent the spread of COVID-19

Please do not enter this workplace if you:

- Have any of the following symptoms:
 - Fever
 - Chills
 - New or worsening cough
 - Shortness of breath
 - New muscle aches or headache
 - Sore throat
- Have travelled outside of Canada within the last 14 days
- Are a close contact of a person who tested positive for COVID-19

All other visitors, please wash your hands or clean them with hand sanitizer before and after your visit. Please maintain physical distancing of 2 metres.

If you are displaying symptoms of COVID-19, refer to HealthLink BC at 811.
